

**REQUEST FOR PROPOSALS
ADDENDUM NUMBER ONE (1)
DATE: April 17, 2024**

PROJECT: 900 Kw Generator
Birmingham-Shuttleworth International Airport
Birmingham, Alabama

From: Birmingham Airport Authority (BAA)
5900 Messer Airport Highway
Birmingham, Alabama 35212

To: All Participants

General:

This addendum will form a part of the and modifies the original Request for Proposal (RFP) document. The following changes take precedence over items in the RFP. Any portion of the RFP not changed by this Addendum remains in effect. Recipients of the Addendum are advised to provide this Addendum to anyone to whom they further distribute without the BAA's knowledge.

Participants in this RFP are required to acknowledge receipt of this Addendum in their proposal. Failure to do so may subject Proposer for disqualification.

ADDITIONAL INFORMATION/CLARIFICATIONS/ATTCHMENTS DESCRIBED BELOW:

1. Dates for the Prebid/Site visit will be changed. We will advise you at a later date.

2. It is the Contractors responsibility to quote a Generator that is a suitable replacement for what we currently have. The generator required may be over 900kw.
3. We encourage Contractor to attend the site visit to look the current Generator and where it is located. We will require the contractor to remove the existing Generator and install the new Generator.
