Project Scope of work

Birmingham Airport has three (3) play areas. They are soft foam sculpted shapes on a soft foam flooring. Dimensions of the Kid Zone A-Concourse, Zone B-Concourse and Zone C-Concourse are enclosed. Below are pictures of what we currently have. We would prefer to replace all three kid zones play areas with similar soft foam airport theme; but will consider other ideas as long as they are soft foam sculpted. Age group we are targeting is eight and under.
