

BHM Cargo Market

BHM is located in a region of robust air cargo demand served by multiple airports

All-cargo operations located in the southwest area of the airport allowing for easy access to interstate highways

One of three Southern cities with six interstate spokes, fleet departing from BHM can reach one of five major interstates within three to 15 minutes

BHM provides a faster, more efficient alternative to more congested airports, is competitive and is cost effective

BHM is located within 3 to 15 minutes of 5 interstates.
