**Birmingham-Shuttlesworth International Airport to Host Job Fair**  
*Airport-Wide Event to Take Place April 12, 2022*

BIRMINGHAM, AL (March 14, 2022) – The Birmingham Airport Authority and its tenants at the Birmingham-Shuttlesworth International Airport (BHM) will host a job fair to fill more than 25 available positions on Tuesday, April 12, 2022 from 9:00am – 12:00 noon in the Airport’s Event Room on the upper level of the terminal.

The available positions with Airport employers include opportunities from customer service agents and crew members in the Airport’s shops and restaurants, including sales associates, supervisors, and other critical functions with the Transportation Security Administration. The Birmingham Airport Authority is also looking to fill several maintenance and operations positions.

With so many upcoming activities and events in Birmingham, filling these positions are essential to the operations of the Airport as passengers are eagerly returning to the skies in numbers. In February 2022, BHM has seen a passenger increase of 102% compared to February 2021. Increasing staffing levels is important for BHM as the Airport’s goal is to offer world-class customer service to every passenger and patron, which customers have come to expect each time they fly BHM. Nearly all passengers (93%) are fully satisfied with their experience at BHM.
