General:

This addendum will form a part of the Access Control and Installation contract and modifies the original Request for Proposal (RFP) document. The following changes take precedence over items in the RFP. Portion of the RFP not changed by this Addendum remain in effect. Recipients of the Addendum are advised to provide this Addendum to anyone to whom they further distribute without the BAA's knowledge.

Participants in this RFP are required to acknowledge receipt of this Addendum in their proposal. Failure to do so may subject Proposer for disqualification.

Please give us one quote for the Airlines and one for the Cargo Area. Quote the installation separate from the hardware.

Question:

Would it be possible to get a sitemap and door numbers?

Answer:

Door numbers for the airline ticketing doors are as follows:

Clear t-2540 & t-2543

Delta t-2530 & t-2535

American No door number and t-2517
