REDMONT DISTILLING CO

Redmont Distillery takes its name from Birmingham's Red Mountain, the source of iron ore that was formed more than 400 million years ago. Founded in 2015, we began distilling our Redmont Vodka locally in small batches at our Birmingham distillery, which also happens to be the first legal distillery in Birmingham since prohibition. We distill our vodka eight times, giving it a 100% neutral taste.

Spirit spir.it \ 'spir it \ (n.) A strong distilled alcoholic liquor.

REDMONT VODKA

Made from corn, which not only makes it gluten free but also provides a smooth finish that doesn't have a harsh aftertaste. In addition to being 8x distilled, our vodka flows through advanced carbon filtration systems, removing any off flavors and achieving a much smoother finish.

VULCAN GIN

Vulcan Gin is gluten-free and 8x distilled, which ensures a smooth finish. Beautiful and full bodied, yet simple and not overpowering.
