

**REQUEST FOR PROPOSALS
ADDENDUM NUMBER ONE (1)
DATE: July 31, 2024**

PROJECT: Wireless Access Point Survey
Birmingham-Shuttleworth International Airport
Birmingham, Alabama

From: Birmingham Airport Authority (BAA)
5900 Messer Airport Highway
Birmingham, Alabama 35212

To: All Participants

General:

This addendum will form a part of the and modifies the original Request for Proposal (RFP) document. The following changes take precedence over items in the RFP. Any portion of the RFP not changed by this Addendum remains in effect. Recipients of the Addendum are advised to provide this Addendum to anyone to whom they further distribute without the BAA's knowledge.

Participants in this RFP are required to acknowledge receipt of this Addendum in their proposal. Failure to do so may subject Proposer for disqualification.

ADDITIONAL INFORMATION/CLARIFICATIONS/DESCRIBED BELOW:

- 1. Question:** Is current square footage, drawing or picture of all the areas to be surveyed?

Answer: Not all our drawings currently have total square footage listed but we will work to make sure that we have that prior to walk through date.

2. Question: Is there a date available for the site-walk?

Answer: A site visit is scheduled for Monday, August 5, 2024, at 11:00 AM. RSVP by 3:00 PM Central time on Friday, August 2, 2024. Meet at the BAA office and sign in. Parking will be validated.

3. Question: What vendor including hardware and software makes up the current wireless solution?

Answer: We currently have two vendors we use, WatchGuard and Mist.

4. Question: Will the wireless solution be Cloud or On- or On-Premises?

Answer: Cloud administered under 1 pane of glass

5. Question: What business applications and or services will the wireless survey design need to consider and take into consideration?

Answer: Currently, the only application, which is being developed so not yet deployed, would be Video Translation Services

6. Question: What are the time frames for completing this project once vendor is selected and awarded the project?

Answer: We would want to start as soon as possible, once the project is awarded and contracts signed.

7. Question: Our only question is if you would like us to perform the onsite passive survey with an AP on a stick. If yes, will you be providing the AP? If no, what Model AP will we need to provide for the Survey?

Answer: How you perform your survey is up to you. We will not be providing any equipment to vendors for this effort.

8. Question: Appendix "B" Insurance Requirements: The current COI has \$10M aggregate coverages, we have historically seen \$5M for these various line items. Is the \$10M aggregate coverages negotiable with the winning firm to the \$5M value?

Answer: We will accept \$5M aggregate coverage

9. Question: Will the existing floorplans be made available for WLAN layout across airport campus buildings and structures mentioned in Appendix "A" Scopes of Services and requirements?

Answer: The floorplan will be made available to the winning company.
