This classic American Pale Ale is floral to the nose and flavorful to the mouth. 2-row and 5 specialty malts create subtle caramel tones while just the right amount of cascade hops make our Pale Ale just a shade short of perfect. Grab some and tell us what you think. Surely to be one of your new favorites. ABV 5.4%

A big, joyous celebration of all things hoppy (5 different varieties). Large flavors and aroma of pine, citrus, flowers, spice, pineapple, and grassiness complimented with a touch of biscuit and caramel backbone. Our most requested beer. ABV 9.3%

### AMERICAN BROWN ALE

Brewed with 2-row Pale and 5 specialty malts, it's malty in both flavor and smell. A heap of Cascade and Willamette add to balance to this easy drinking ale. Hole-up, have a few, and tell us what you think. We're bettin' it's the best Brown Ale you'll ever have. ABV 5.4%

### COFFEE OATMEAL STOUT

Big coffee flavors dominate early only to be wiped out by an enormous amount of Willamette hop flavors. It's one of our most requested beers. Complex and full of flavor yet amazingly sessionable. Brewed with coffee from Primavera Coffee Roasters right here in Birmingham. ABV 6.0%
