

REQUEST FOR STATEMENT OF QUALIFICATIONS
FOR
PROFESSIONAL ENGINEERING CONSULTING SERVICES
FOR THE
TAXIWAY FOXTROT (“F”) PAVEMENT EVALUATION AND SAFETY AREA
IMPROVEMENTS PROJECT
ASSOCIATED WITH
BIRMINGHAM - SHUTTLESWORTH INTERNATIONAL AIRPORT

Issued January 6, 2017

The Birmingham Airport Authority (the “Authority”) is seeking a highly qualified firm or team of firms (each, a “Respondent”), to provide Professional Engineering Consulting Services associated with facilitating a condition assessment, repair, and improvements of the designated taxiway’s safety area situated between Runway 6/24 and the Alabama Air National Guard apron. Existing FAA electrical cabling will need to be lowered to facilitate this work. A new lighted Wind cone will be added to Runway 6/24 SW of the Taxiway “F”. The distance remaining signs for both runway 6/24 and 18/36 will need to be replaced. Existing signs are mounted on concrete pads, and may require some electrical work to complete their installation. All work must comply with the latest FAA Design Standards.

A Pre-Submittal Conference will be held on Thursday, January 26, 2017, starting at 2:00 p.m. local time at the Birmingham-Shuttlesworth International Airport’s Meeting Room A, located at 5900 Airport Highway, Birmingham, Alabama 35212.

Meeting Room A is situated near the Concourse C entrance, near the escalator, adjacent to the Birmingham Police Substation on the Terminal Building’s lower level. All interested participants are strongly urged to attend this conference.

Beginning, Monday, January 16, 2017, Request for Qualifications can be acquired via the Birmingham Airport Authority web-site.

All Statements of Qualifications will be due no later than local time noon, Thursday, February 9, 2017.

DBE Policy: It is the policy of the Birmingham Airport Authority (Authority) that DBEs as defined in 49CFR Part 26, will have maximum opportunity to participate in the performance of all Authority projects and the bidders will take all necessary and reasonable steps to ensure that DBEs have the maximum opportunity to complete for and perform subcontractors. Additional DBE information is contained in the full Request for Statement of Qualifications packages.
