1. The following question has been asked:

Question – Is an 11X17 size sheet allowed for the SOQ? If so, does it count as one or more pages?

Answer – An 11X17 size sheet shall be allowed for the purpose of providing a clear schedule or exhibit. However, we ask that the sheet is folded in such a way as to occupy no more space than that of an 8.5X11 sheet (when folded). When folded in such a way, that sheet shall still only count as one page.
