

**Notice to Financial Services Firms Relating to the Independent Registered Municipal Advisor
to Birmingham Airport Authority**

February 20, 2019

The Birmingham Airport Authority, a public corporation under the laws of Alabama (“Authority”), has retained an independent registered municipal advisor. The Authority is represented by and will rely on its municipal advisor, Porter, White & Company, Inc. (“Advisor”), to provide advice on proposals from financial services firms concerning the issuance of municipal securities and municipal financial products (including investments of bond proceeds and escrow investments). Proposals may be addressed to the President of the Authority at 5900 Airport Highway Birmingham, Alabama 35212. If the proposal is seriously considered by the Authority, it will share the proposal with the Advisor. Please note, that aside from regulatorily mandated correspondence between an underwriter and municipal advisor, the underwriter should not speak directly with or send documents directly to the municipal advisor unless specifically directed to by the Authority.

Upon delivery of this notice or posting of it on its web site, the Authority intends that market participants receive and use it for purposes of the independent registered municipal advisor exemption to the SEC Municipal Advisor Rule.
