

INVITATION TO BID
BIRMINGHAM-SHUTTLESWORTH INTERNATIONAL AIRPORT
Runway 24 Glide Slope Terrain Improvements

The Birmingham Airport Authority in Birmingham, AL, is accepting sealed bids for the above referenced item. Sealed bids should be plainly marked and will be received at:

Birmingham Airport Authority
5900 Messer Airport Highway
Birmingham, AL 35212

Until 2:00PM CST, Thursday, February 6, 2020 at which time bids will be opened at Birmingham-Shuttlesworth International Airport and read aloud. All bids received after that time will be returned unopened.

Project consists of the grading and drainage improvements inside the Glide Slope Critical Area east of Runway 24 at Birmingham-Shuttlesworth International Airport in Birmingham, AL. The scope of work generally includes the installation of approximately 35,000 CYD of borrow material to fill in existing drainage swales, removal of existing stone rip rap and concrete ditch pavement, installation of Class V round drainage pipes, installation of new drainage structures including a large cast-in-place junction structure, general smoothing of grades inside the Glide Slope Critical Area, installation of topsoil and seeding in areas disturbed by grading, and all associated erosion and sedimentation control measures.

PRE-BID CONFERENCE: Non-mandatory Pre-bid Meeting will be held January 23, 2020 at 2:00PM (CST), in Meeting Room B at the Birmingham-Shuttlesworth International Airport, 5900 Messer Airport Highway, Birmingham AL, 35212. This pre-bid conference is recommended to be attended by all prospective bidders and will be the only opportunity for prospective bidders to visit the project site prior to bid opening.

COPIES OF BIDDING DOCUMENTS: Beginning on January 9, 2020 a complete set of electronic bid documents can be obtained for a non-refundable processing fee of \$25.00 by contacting the Engineer at:
