

It's Time To Fly Birmingham

Here are some key changes to expect the next time you travel from BHM.

FACE MASKS

Everyone is encouraged to wear face coverings.

SECURITY

Review TSA's new procedures and pack smart.

HAND SANITIZERS

Hand sanitizing stations have been placed around the airport for use.

GATE AREA

Passengers are encouraged to space themselves out in gate seating areas.

TOUCH POINTS

You can reduce touch points by utilizing mobile boarding passes and carry on luggage.

CLEANING

We are cleaning more frequently in all areas with EPA approved products to ensure public safety.

DISTANCE MARKERS

Stickers have been placed around the airport to encourage all passengers to practice social distancing.

PLASTIC SHIELDS

Plastic shields have been installed in high-traffic areas, such as ticketing counters, gates, and security checkpoints.
