Birmingham Airport Authority to Celebrate Grand Opening of New Restaurant

Ongoing Effort to Give Customers More Food Choices when they Fly

BIRMINGHAM, AL (August 15, 2022) – It’s a cause to celebrate! Birmingham Shuttlesworth International Airport is welcoming a new restaurant to Concourse C. The new restaurant is the 8th food and beverage location offered in the terminal. This addition highlights an ongoing effort at BHM to offer customers a variety of food choices when they travel.

Please join us for a Grand Opening event to be held in the terminal:

- Tuesday, August 16th
- 1:00pm
- Near Exit Lane at Concourse C

Due to airport security requirements, those attending are asked to arrive in the airport terminal no later than 12:40pm. Guests and members of the media should report to the Upper level Event Room. From there, guests will be escorted over to the celebration.

The new restaurant is the latest in a series of customer service improvements that are helping to give customers the best possible experience when they visit BHM. Recent upgrades include new gate seating that includes a power outlet and cup holder at every seat, new lighting in the public restrooms, new elevators in the parking garage, and the remodeling of the jet bridges.
